

# CBG 'n Me

-Rainforest Putt Putt -

# Materials Needed:

- Ball
- Any fun items to use in creating a putt putt course
- 2 tee markers -cones or water bottles

# Instructions:

- Use 2 tee markers to identify start of the hole.
- Set up obstacles and objects to maneuver over/under/through/around until you reach the goal.
- Tee off from the tee markers. Use the instep of your foot to contact the ball.
- Play the ball where it lies (if unplayable add a stroke). The person whose ball is FARTHEST from the tee, kicks next.
- Count your kicks
- You must travel through the rain forest, avoid animals, plants, water (obstacles) to make it safely to the hole. The person who gets through the rainforest in the shortest amount of kicks wins!
